EeeeeeeeNews – from our very own BHRC Roving Reporter, Saraloo

Hello everyone and Happy Easter

Hope you have all been making the most of the intermittent sunshine. I know that there were quite a few people washing ponies this last weekend in a desperate bid to get rid of all the remnants of the dreadful amounts of wet and mud that we have experienced this winter.

Why washing? Well, we had our open showing show last weekend at Heazle.

A new venue for us. this show proved to be a big success and we had a very good turn out despite the show that was also going on at the same time at the Conquest Centre.

Many thanks to all that helped organize this event especially Jill Perrior who's tireless work behind the scenes made it a success and to all those that helped on the day.

### **DRESSAGE LEAGUE**

The second dressage league competition took place at Paddocks on March 23<sup>rd</sup> and was an amazing success.

We had fifty entries, which kept all our organizers, especially Joy who sorts all the times, very busy indeed. As always the atmosphere was calm and happy and from where I was sitting there were many smiling faces.

A big thanks to Kate the venue owner, who had spent ages rolling the designated paddock to make it suitable for parking and warm up area, only for the weather to change over night with a real downpour which caused a few muddy areas. Most people seemed to cope though and were very good at getting to the arena on time for their class.

Thank you to all the regular helpers who help to make the day and all the riders and their equines I don't think I saw one misbehaving.

## DRESSAGE TO MUSIC

Monday 14th April – Dressage-2-music training at Conquest. Contact Tricia Budd for more details and to book your place.

This is a have a go training session to music, so you can come along with your disc and have a trot around the arena to your favorite piece of music. If you don't have any music then we have plenty to play for you. Its really great fun and you will be surprised how much the horses settle to the music and then often start working in with the rhythms. If you are too shy then pop along to watch.
